

## Gate & Key Gives 'Garter' At Sing

• THE DATE FOR the Inter-Fraternity Quartet Sing, has been set for December 17, at 8:30 p.m. in Lisner Auditorium. Included in the program will be the annual presentation of the "Order of the Lacy Garter" by the Gate and Key Society. The master of ceremonies will be Paul Tennings.

The Quartet Sing, sponsored jointly by the IFC and the Student Council, will be another of the Colonial Program Series and is the first attempt of its kind at the University. The sing will be presented as a benefit performance in order to materialize the Christmas hopes of needy persons in the area. The admission charge will be either a toy, an article of clothing, a can of food or \$.25. While money is always desirable, the Council says students are urged to bring one or more of the other items.

Entered in the sing, which will be held on a competitive basis, will be AEPI, DTD, PhiA, PhiSK, PIKA, SAE and SX. The winning group will receive an inscribed cup commemorating the occasion and bearing the title and date of the event.

AEPI's songsters, Ed Jaffee, Norm Cohen, Harvey Kaplan and Roger Kaufman, will give renditions of "Golden Blue" and "Dem Bones." From DTD, Roy Schlemmen, Bill Evans, Bill Medina and Fred Smithwick will offer "Evelina" and "Vive L'Armour." "Pre-fend" and "Wishing Ring" will be the choices of PhiA's contingent, Buddy Wolfe, Phi Eisenberg, Ed Statland and Jerry Opach.

The Phi Sig songsters, Al Justice, Tom Brown, Pete Harde and Dave Cook, will harmonize to the melodies of "Waltzing Matilda" and "Nut Brown Maiden." Jack Thorne, Jay Martin, Thomas Browning and Julian Schutz, SAE's group, will vocalize to the lyrics of "Shine On Harvest Moon" and "Jungle Land." From SX, Mark Taylor, Bob McGrath, Art Niera and Bill Winder will sing "Tease Em" and "The Drinking Song."

The Quartet Sing will be judged by four prominent Washingtonians, who are members of the interim Barber Shop Quartet Society, and who also do the official judging of the organization's quartets. The four men, James Ewin, Lewis Sims, Mark Boucher and Louis Metcalfe, are also members of the Washington chapter of the Society for the Preservation and Encouragement of Barber Shop Singing in America.

## Folkemer Assumes New Office as Church Pastor

• THE REVEREND Dr. Lawrence D. Folkemer, head of the department of religion at the University, has accepted a call as pastor of the Lutheran Church of the Reformation, the largest Lutheran church in the city.

Dr. Folkemer, who has held his University post for six years, will take over his new duties February 1.

Commenting on his departure, Dr. Marvin said: "Dr. Folkemer has made an exceptional place for himself among the members of our faculty and our student body. From our point of view we are exceedingly sorry to see him leave the classroom to undertake the pastorate."

"He has a unique way of combining his scholarship with the means of making it exceedingly helpful in the lives of those with whom he comes in contact."

## Troubadours, Dr. Harmon Sing Carols

• THE TRAVELING TROUBADOURS will give a program at Western Presbyterian Church, 1906 H Street, N. W., tonight at 8:15 p.m.

Tables will be decorated with candles and evergreens and refreshments will be served after the program. Dr. Harmon, director of the Troubadours, will lead general carol singing during the program.

The program includes "Great Day," "Open Thine Heart," "September Song," "I Got Rhythm," "Winter Wonderland," "White Christmas," "Carol of the Bells," and "Cypress Tree Carol." Also "Czechoslovakian Folk Song."

## Seats for Basketball

• FOR THE FIRST time in Colonial Boosters' history, seats are being reserved for Boosters members at home basketball games. Because this is the first time, no past records as to the number of students attending the games is available. However, as many seats as possible are being reserved.

While an overflow crowd is not anticipated, in the event that this happens, Booster members will be admitted on a "first come, first serve" basis to the Boosters reserved seat section.

"Heather on the Hill," "Annie Laurie," "Cindy," "No Man is an Island," "Give Me Your Tired, Your Poor," a medley from "Show Boat," and "Benediction."

On December 18, the Troubadours will fly north to sing for the servicemen of the North East Atlantic Command. This will be the sixth trip for the Troubadours. Already, they have traveled over 50,000 miles to sing for more than 200,000 servicemen.

Theological Seminary at Gettysburg, Dr. Folkemer completed his ministerial training at the Hartford (Conn.) Theological Seminary. While there he majored in the history of Christian thought, and received the degrees of Master of Sacred Theology and Doctor of Philosophy.

Dr. Folkemer served as pastor of the Lutheran Church of Our Saviour at Lansdowne, Md., for five years and in 1947 was called to the University to establish its department of religion. He has taught elective courses in religion to more than 2000 students.

## 'Sing Out Sweet Land' Shows Spirit of American Dance, Song From Plymouth to Prohibition

• LAST THURSDAY through Saturday nights at Lisner Auditorium the University players presented Walter Kerr's musical, "Sing Out Sweet Land." The production, second in this year's series, was a pageant of American folk and popular song and dance from the days of Plymouth Rock to the Roaring Twenties.

The show was produced by William Callahan, Director of University Dramatic Activities,

and was directed by Dr. Vera Mowry. Choreography was by Miss Elizabeth Burtner, head of the Dance Department and the choral director was Edward Cashman.

In nine scenes the audience followed the misadventures of Barnaby Goodchild, the never aging spirit of American song and dance, played by Tom Douglass. He travelled across time and space from Puritan New England to a speakeasy of the twenties via colonial Virginia, frontier Illinois, the Oregon Trail, a Mississippi river boat, a Civil War incampment, a railroad yard during the seventies and a city park in the gay nineties.

The speaking cast included Jeanni O'Neill, Stuart Smith, Doris Buck, Eugenie Strehow, George Brock, Paul Conway, Orville French, and Leonard Shapiro. Most of the singers and dancers also had speaking parts.

The singers were Bev Borden, Tore Haugeto, Keith Kentopp, George Mozer, Marale Picciano, Mary Jo Rica and Beverly Perry. Also Carol Dalton, Jonathan Farwell, Ed Huff, John Kane, Jim Larkin, Charlene McDonald, Betty Rhame, Edna Soley and Otto Ulrich.

The dancing cast included Charlotte Michaelson, Milica Hasalova, Tom Pence, Gayla April, Louis Courembis, Lorna Herzog, Forrest Jewell, Kathleen King and Henry Loue. Also Richard Matthews, James Miller, George Mozer, Roy Rothgeb, Ann Smith, Anna Uhl and Rosa Weiner. Mary Schrup and Doris French were also in the cast.

## Foreign Scholars Do Graduate Research

• DR. ERNST THEODOR SEHRT, professor of English and head of the Department of English at the University of Goettingen, Germany, is one of three foreign scholars doing research at the University under the auspices of the Fulbright Program and the Committee on International Exchange of Persons.

As such, he has become the student of a professor who two years ago was a guest member of his department in Goettingen. Dr. Robert W. Bolwell, chairman of the Graduate Council and professor of American Literature at the University, will be his adviser.

### Fulbright Scholars

Others visiting the University under the Fulbright program are Dr. Richard M. Slickinger, instructor, Bundes Gymnasium in Vienna, Austria, and Mr. Gabriel F. Fabella, associate professor of History at the University of the Philippines.

Dr. Sehrt plans to work in the field of American Thought and Civilization with special emphasis on the work and thought of James Branch Cabell, contemporary American novelist.

Mr. Fabella, who will study under Dr. Wood Gray, professor of American History, and Dr. Howard M. Merriman, professor of American Diplomatic History, will do research on the Philippine Revolution and the church history of the Philippines. He will be working both at the University and at the National Archives.

Studying American History Dr. Richard Slickinger intends to undertake research on the philosophy of American history with special emphasis on its sociological aspects of the second half of the 18th century and the beginning of

the 19th century.

The three men are the first Fulbright scholars to study under the Graduate Council at the University.

## Dancers Take World Jaunt In Two Hours

• AN IMAGINARY TRIP to many foreign lands will begin at 8:30 in Building J this Thursday. A flying trip to many countries and a presentation of their dances will be piloted by Tom Pence, with Milica Hasalova as stewardess, and Charles Higginson as narrator.

With a large map on the wall and authentic music and dances as a background, folk dance enthusiasts will have a chance to learn new dances as well as to watch exhibitions of the hula, a Pakistanian dance, the Neapolitan tarantella, Spanish dances, Greek circle dances, and even French folk songs.

Faculty hosts will include Professor Alan T. Delbert. Also actively participating will be Miss Fritz Nykopp, daughter of the Finnish Minister, and Bob Riggs, both officers of the International Students Society, as well as other members or that group.

## Experts Talk Over Russian Zone Policy

• EARLY AND RECENT Soviet Policy in regards to the Russian zone of Germany was discussed by Dr. Wolfgang Kraus and Dr. Bolko Kichthofen at the Delta Phi Epsilon house last Thursday with members of the national foreign service fraternity and guests.

Dr. Kichthofen, recently of Konigberg University but in the United States on behalf of German refugees, discussed with Dr. Kraus, of the University's Department of Government, the problems of German unity and German refugees.

It was brought out by Dr. Kichthofen that this tremendous mass movement of German people to the western zone is one of the largest emigrations known in history.

Discussing and often enlarging on each other's views, the two professors presented the dual approach of the Soviet government in the earlier days of the occupation. While troops were given a green light in their treatment of German civilians and it is estimated that between 4,000 and 5,000 women were raped, the left hand of the Soviet government was attempting to disarm the defeated nation with cultural propaganda.

• BOTH STUDENTS AND faculty are invited to hear discussions of topics ranging from the most popular drugs in doctors' prescriptions to the problems involved in designing helicopters at three meetings this week.

The drug prescription trends will be discussed by David Stiles, the Abbott Laboratories' market development director, at tomorrow's meeting of the student branch of the American Pharmaceutical Association in Monroe 102 at 12:15 p.m.

Helicopter design problems will be discussed at Thursday's meeting of the American Society of Mechanical Engineers at the Potomac Electric Power Company auditorium, 10th and E Streets, N. W., at 8 p.m.

Norman C. Taylor, assistant chief engineer at the Morton, Pa., Pasecki Corporation, will speak.

Finally, Dr. George Gamow, professor of theoretical physics at the University and author of many popular books on the subject, will discuss nucleic acid and protein, two important chemicals in our bodies.

The meeting will be held in Corcoran 100 at 8:30 p.m. Banks McCabe, a University graduate

student working for his PhD, will also speak.

• DR. CHARLES BLIVEN, head of the University's pharmacy department, will attend the National Drug Trade Conference as a delegate of the American Association of College of Pharmacy on December 5.

The meeting will be held at the Washington Hotel at 9:30 p.m. The conference will consist of three delegates from each pharmacy organization, such as a college of pharmacy or drug manufacturing company.

• DR. S. J. GRECO, associate professor of pharmacy at the University, will supervise the pharmacy school's participation in the Abbott Laboratories to determine what drugs are used most frequently in doctor's prescriptions.

This nation-wide survey will be supervised by David Stiles, director of the market development department of the Abbott Laboratories.

# Dr. Van Evera Tells Of Trip

• DR. B. D. VAN EVERA will discuss the highlights and show pictures of his recent trip around the world on behalf of the National Research Council, Wednesday, December 16, at 8:15 P.M. Corcoran Hall, Room 319.

During his journey he toured ten nations including Belgium, France, Italy, India and Japan. While his purpose was to inspect numerous fertilizer plants, his discussion will be a travelogue type of presentation, rather than a scientific or engineering evaluation of various production methods.

Dr. Van Evera, professor of Chemistry and Coordinator of Scientific Activities, has been associated with the George Washington University since 1925. He has established himself nationally as a scientist and as an educator.

During World War II, Dr. Van Evera was the Director of Alagany Ballistics Laboratory which developed the famed Bazooka. Recently he was honored by receiving the degree of D.Sc. from Col College in recognition of his accomplishments in the fields of science and education.

Students, faculty members and their guests are invited.

# Well-Known Reindeer Tells All

NORTH POLE, ARCTIC. Looking very dapper for an 18-point buck with chalked muzzle and matching white tail assembly, Dasher, famous front-running reindeer for the S. Claus Parcel Service, stated today:

1. Conditions on the northern tundra are pretty much the same as ever. No-o, TV hadn't affected the grazing habits of the middle-class herds.
2. That despite reports to the contrary, you don't ever thoroughly adjust to sub-zero weather, regardless of the warm esteem people hold you in.
3. Rumors of a reindeer strike for Christmas Eve are unfounded. Somebody's got a termite in his antler.

When asked about the most popular Christmas gift down through the years he replied without hesitation: "Menswear by Manhattan. I've helped haul Mr. Claus's sled, roe and buck, nigh unto forever . . . so I ought to know . . . nothing makes a man happier than shirts, sportshirts, ties, pajamas, beachwear or underwear labeled Manhattan. Don't know whether it's the live style that makes a man look and feel so good, whether it's the traditional tailoring detail, or the array of fabrics, patterns and colors that are all so unmistakably quality. I'll admit one thing. I've kind of wished sometimes that Manhattan would make deerwear."

# Student Engineers Discuss Atom Costs

• BY THE YEAR 1980, atomic power production will play a noticeable part in the United States power industry.

This was one of the main points brought out in the paper presented at the student branch of the American Society of Mechanical Engineers' meeting last Wednesday night. The speaker, Mr. Van Winkle of the Atomic Energy Commission, also demonstrated the theoretical costs of an atomic power plant.

Dr. Frank Weida, of the University Statistics Department, spoke at the joint AIEE and IRE meeting. The subject of his talk was the application of statistical analysis in engineering.

The engineer familiar with the principles of statistical analysis can determine the minimum amount of data that is required for a given approximation, and the result obtained will be very close to the actual value. Dr. Weida's demonstrations included the new famous coin-tossing experiment familiar to all physics 55 students.

The talk presented at the American Society of Civil Engineers' meeting, also last Wednesday night, was on the subject of pre-stressed concrete. The talk was illustrated with slides and a section of prestressed concrete member.

The ASCE has been taking an active part in this subject in the last few years. Last year the so-called

## Win If Mag Story Prize

• UNDERGRADUATES can win \$2,000 in prizes in the If Magazine science-fiction story contest by writing a 10,000 word novelette depicting life in America 100 years from now.

A first prize of \$1,000, a second prize of \$500, and third to seventh prizes of \$100 each are being offered.

The contest, which closes May 15, 1954, is open only to undergraduates in colleges in the United States and Canada. Professional writers attending college are not eligible.

The editors of If Magazine will act as judges and will consider originality, ideas, imagination and writing ability.

Students wishing to obtain further information can write to College Science Fiction Contest, If Magazine, Kingston, New York.

## Pastor Shows French Club Color Slides

• A TOUR of Europe by proxy highlighted the French Club's bi-monthly meeting Wednesday night. Monsieur Stein-Schneider, pastor of the French Protestant Church in Washington, was guest speaker and illustrated his lecture on his summer's journey to France and Luxembourg with technicolor slides.

An accomplished speaker as well as photographer, Mr. Stein-Schneider held his audience rapt for over an hour.

Mr. Stein-Schneider has gained quite a reputation here at the University as well as in greater Washington. He spoke to Mr. James Robb's French classes during Religion week last year.

Several University students also attend his weekly church services which are held Sunday afternoons at 4 p.m. at the distinctive "Church of the Presidents" on Lafayette Square.

## General Dubs Civil Cases 'Trials of Wit'

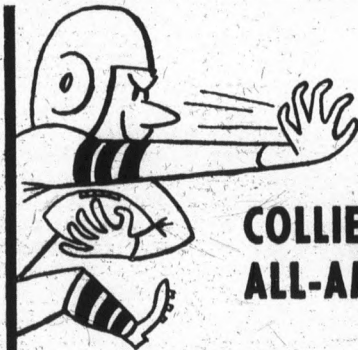

• MILITARY JUSTICE IN the Air Force is equal to and perhaps superior to civil justice, according to Brig. General Albert M. Kuhfeld, Assistant Judge Advocate General of the Air Force.

In an address given before students of the 4th Institute of Correctional Administration on November 18, Gen. Kuhfeld compared a court martial to a civil case.

He stated that civil cases bring a great deal of expense to the defendant, and that to appeal a case means even greater expense. On the other hand, he pointed out that counsel is given to defendants in military cases at no expense. Gen. Kuhfeld also pointed out that civil service cases sometimes become merely "trials of wit."

The General said that he believes that in the Air Force a man has a better chance when being tried by a military court than he would if he were being tried by a civil court.

# Georgi Is Outdone!

• PREMIER GEORGI MALENKOV recently revealed that the Russian powers-that-be are swinging back to a government by several people, or committees, instead of one-man control. Georgi, the University has beaten you to the punch!

We first noticed this trend (not toward "Malenkov-ism," if you please, but toward multiple heads of organizations) while browsing through the list of campus organizations and officers, and then to our horror we realized that the HATCHET leads the field in this respect with not two, not three, but five editors! Following close behind is the CHERRY TREE with co-editors, the Career Conference with co-chairman, the Homecoming Committee with co-chairmen, the football team with co-captains and the basketball team with same.

Digging deep into our memory file, we find that seven people this year are doing the work that one person, Fred Harmon, did last year—i.e., editor of the HATCHET and Career Conference chairman. We admire Mr. Harmon greatly, but we hardly think that he was or is a seven-fold superman!

After intensive deliberation, we have come up with a set of reasons in justification of the advantages of this system:

- 1) It provides convenient loopholes for escaping responsibilities;
- 2) It provides more people for campus honoraries;
- 3) It provides more copy for campus publications.

If this democratic (?) trend should continue, we have but one more suggestion to make—the students, instead of electing a Student Council president this spring, should get together and select Council co-presidents!

# Coeds' Rules End Coeds' Austerity

by Joan Drew

• DORM RULES FOR WOMEN are getting a good kick-around. No matter how lenient, they're unpopular. At Stanford University, the rules are as long, wordy, and detailed as the Kinsey Report. Actually, they amount to giving the girls as much free time and as many late evenings as they please. But being rules, they're automatically bad, and contemptuously branded "Of the women, by the women, and for the birds."

The Associated Collegiate Press report tells a blood-curdling story of "Creeping Tyranny."

### Reasonable Curfew Vetoed

Faculty house directors at Southern Methodist University have vetoed a proposal to extend the Friday night campus curfew to 1 a.m. The 1 a.m. extension was passed by the Associated Women Students, who maintained that women on campus favored the new ruling. However, the house directors have the final say.

The dean of women said the veto came about because the directors were "definitely of the opinion that the majority of women students . . . did not really want the 1 a.m. permission." The dean added that the directors have 24-hours jobs, and that it would be unfair to make them stay up until 1 a.m. (Excuses.)

Following the incident, the S.M.U. campus took a survey which showed 11 out of 12 women wanting the extension.

### Kansan in Dutch

The University Daily Kansan got into trouble a while ago when it printed an account of the third world congress of the International Union of Students (IUS) on its editorial page under the head "World Students Unit for Better Education." The article was taken almost entirely from a news release, and critics said the eulogies of Communist education it contained were not interpreted as they should have been.

In a shocked editorial, the Kansas State Collegian admonished the Daily Kansan, saying: "The

. . . Kansan . . . we're sorry to say, has fallen for some Communist propaganda, hook, line and sinker."

Said the Minnesota Daily, "The newspaper has failed seriously."

It all goes to show that everyone should be careful what they say and write these days. We haven't yet heard the fate of the unfortunate Kansan's editors. They undoubtedly have been done away with.

# ROTC Wants Poetic Talent

• DUST OFF YOUR unused talent, for the AFROTC is sponsoring a contest in search of a poem on military aviation.

The only existing poem of note dealing with the Air Force is "High Flight," written by John Magee, Jr., a Canadian. Now the Air Force would like to have a poem written by an American.

The winning poem will appear in the January 2 edition of the Air Force Times. It will have the distinction of being the only poem to appear in the A. F. Times for the year, with exception of a New Year's poem.

All entries must be turned in to Lt. William P. Blatty by Dec. 18. The length must not exceed 30 lines. Some suggestions have been that the subject might deal with the Korean war, or that it might give a new association for Air Force blue.

Judges will be Dr. Martin Day, Dr. George W. Stone, and Lt. Blatty.

# Bill Bears Heart Of Gold Under Fur Hide

by Russell and Janet Carlisle

• ALL THOSE WHO HAD the opportunity to see the University Dramatic Activities' presentation of "Sing Out Sweet Land" at Lisner Auditorium will undoubtedly agree it was "mighty fine entertainment."

The musical revue featured folk tunes and dances depicting America's growth musically and otherwise from colonial times to the present.

The show, which was written by Walter Kerr, was generally well executed, tuneful, humorous, eye-pleasing and well-paced after a somewhat slow start. The performers' liveliness and enthusiasm more than compensated for any lack of professional polish in the amateur production.

### Big Bear Good

William Callahan, University Director of Dramatic Activities, acted as producer and stage manager, while Vera Mowry was responsible for the directing. Mr. Callahan also appeared briefly in the role of Big Bear, looking as if he could eat a Hatchet reviewer alive, but later revealing a heart of gold under all that fur.

Miss Elizabeth Burtner's choreography, Edward Cashman's choral direction, and the costumes by Lottie Miller and Bev Borden complemented each other nicely in contributing to the success of the show.

The settings of Donald Kline, Philip Chow, and Dick Matthews were real gems of stagecraft in surmounting the dual handicaps of Lisner's vast stage and the script's requirements for quick scenery changes. The topper in this department came with the change-of-season tricks in the New York park scene in Act II.

Tom Douglass turned in a very capable all-round performance in the leading role of the ubiquitous Barnaby, vagabond promoter of

music and dancing. As his antagonist, who in various guises attempts to persecute musical endeavor, Stuart Smith was convincingly villainous. As a rule the dancing was better than the singing, but Jeanni O'Neill, Marie Picciano, Jonathan Farwell and George Mozer were the well-voiced exceptions.

A skit portraying a speakeasy night club of the Roaring Twenties was the high point of the show, with Bev Borden as the tough lady proprietor, Marie Picciano's blues rendition of "Body and Soul" and the dancers, especially Charlotte Michaelson, going all out on the Charleston.

### Curtain Calls Deserved

Other high spots included: Paul Conway's sorrowful singing of "Foggy, Foggy Dew," a lively performance of "Hardly Think I Will," by Beverly Perry, the "Little Mohee" duet of Tom Douglass and Jeanni O'Neill, the "Casey Jones" number with Bev Borden and Paul Conway, plus an accompanying dance by Gayla April, George Mozer's "Big Rock Candy Mountain," and Jonathan Farwell's "I Have Been a Good Boy."

Excellent performances were also turned in by Charlotte Michaelson, Doris P. Buck, Milica Hasalova, Tore Haugeto, Keith Kentop, Mary Joe Rice, Orville French, George Brock and Henry Loue. The entire company deserved its four curtain calls after the finale, "The Big Rock Candy Mountain," at the final performance Saturday evening.

# 150 High Schoolers Pass Investigation Resolution

• THE HIGH SCHOOL Discussion Group, sponsored by the University, met on Tuesday, November 24.

At least a hundred fifty students interested in current affairs attended the morning symposium on "How Can Present Procedures and Practices of Congressional Investigation be Improved?"

The students met in groups in the afternoon. Later they met in assembly to vote on the composite resolution, which was passed unanimously.

The resolution was as follows: Whereas we affirm the right and the wisdom of congressional committees to conduct relevant investigations for the purpose of (1) recommending legislation, (2) examining the performance of the executive branch of government, (3) informing the public, therefore be it resolved that:

1. A uniform code of rules of

procedure should be established by the Congress to govern all investigation activities of congressional committees.

2. Witnesses before investigating committees should have the right:

a. to confront and cross-examine their accusers,

b. to present statements in their own behalf,

c. to present witnesses in their own behalf,

d. to refuse to appear in telecast or broadcast hearings.

3. All public statements by individual committee members, when made as representing the committee, should first be approved by a majority of the committee members.

4. A joint congressional committee should be formed to investigate all matters dealing with internal security.

# Foggy Bottom

• AS EVER, people keep getting pinned. Theta's prexy, Carol Dunn, is pinned to Bob MacIntire of Maryland U. John Hardison, TKE, has given his pin to Gall Vivadelli, ZTA pledge. Doris Cooley is now wearing the Pike pin of Sugar Ray Fox.

After the alcoholic haze cleared from the Kappa Sig's table at Homecoming, we found that Harry Houseman had pinned Theta Bea Minneman, and Roy Dennis had pinned Joan Duke.

Armistice Day fireworks at 1737 Mass. Ave. saw a fresh keg tapped. The evening ended with a game of hide and seek, with Bernie Smith the object of the hunt. By the way—has anyone seen Smith?

At the Kappa Sigma Saturday night party of a week ago, the pledges feted the actives with their own arresting version of "Carmen," that well-known Western, Bob McKeery was sublime as Don Jose, but Carmen herself was played by a talented Armadillo. I always did like mezzo-sopranos better.

## Under the Table

Then there was the Kappa Sig-Theta exchange, which was the best yet, from all reports. Red Levenstein and Patty Evans were having a quiet game of chess, but couldn't concentrate due to the noise, so they moved the game under the table.

But—I was talking about pinning—not through yet. Joan Wisner, Homecoming queen finalist, got pinned to Arnie Levinson at the Homecoming dance. Arnie is an old Phi Alpha now at U. Va.

## Medical School.

Also in the line of LOVE, the Kappas have two engagements to report: Maureen Scanlon received a diamond from Terry Shay over the Thanksgiving holiday. And Deirdre Walz became engaged to Bob DuBose, a Phi Delta Theta from Sewanee, the University of the South. But the most spectacular news of all is the revelation of Ellie Rapp's marriage to Norris Krone, a Theta Chi from Maryland.

King of freshman Casanovas, Joe Hince, was overheard discussing with little queen Margie Martin the problem of when they might get together. Seems they are both booked solid for three weeks. Rumor has it they're passing out application blanks to their admirers and that even these documents are scarce.

PARTY OF THE WEEK: The blast given by the nautical naughties of DTD last Saturday night. There were some exquisite costumes: KKG Bobbie Worley as a mermaid... Tom Smith, piratically piratical as was Sandy Schlemmer—the former with fins... Kappa pledge Loydell Jones in a bathing suit of yore complete

with bloomers and frilled bonnet... Damon Cordon and PiPhi Peggy Nichols as a battleship... Bob Van Sickler and date as an octopus. Also there were the recently pinned couples, Tom Farley and Barbara Guarco, ADPI; and Pete Noguera and Jean Sexton, Delta Zeta.

## Swimmers Get Ditched

What brought the District police to the AEP house on Friday night? Perhaps the wild screams of two pledges who were being taken out for rides after being ambushed in the living room by the brothers, following the intramural swimming meet.

Acacia held an after the show party Friday night, as did the Phi Sigs. Acacia pledge George "Big Rock Candy Mountain" Moyer and Lorna "Donney" Herzog were seen pulling out all the stops with a Charleston that was absolutely "gone." About 1 a.m. the Sigma (See FOGGY, Page 6)

# Strong Hallers ROTC Team Honor Faculty Busy Firing

• FAVORITE PROFESSORS will be honor guest on Wednesday afternoon, December 9, from 3:30 to 5:30 p.m., when the University coeds living in Strong Hall will give a tea.

Each girl in residence will invite her favorite professor to the tea, the purpose of which is to better acquaint the students and faculty.

Dr. Cloyd H. Marvin, University President, and Mrs. Marvin, and Dean of faculties, and Mrs. O. S. Colclough are among those invited by the Strong Hall council.

• MEMBERS OF THE AFROTC rifle team competed in the annual William R. Hearst Trophy Match Dec. 4 for Army, Navy and Air Force ROTC units.

The match was won last year by Iowa State with a score of 952 out of a possible 1000. G.W.'s two teams fired 713 and 751 out of a possible 1000 in this match.

Under the direction of Sgt. Delmar Chase, the ROTC rifle team has fired in several postal matches this year. In the week ending November 7, the team lost to Emory and Duquesne Universities.

# LATEST COLLEGE SURVEY SHOWS LUCKIES LEAD AGAIN

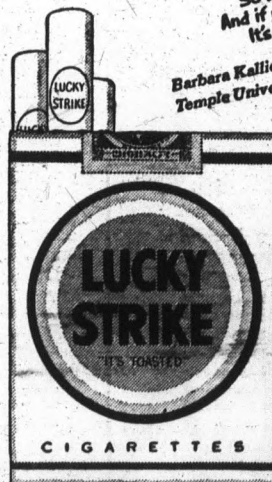

Last year a survey of leading colleges throughout the country showed that smokers in those colleges preferred Luckies to any other cigarette.

This year another nation-wide survey—based on thousands of actual student interviews, and representative of all students in regular colleges—shows that Luckies lead again over all brands, regular or king size...and by a wide margin! The No. 1 reason: Luckies taste better.

Smoking enjoyment is all a matter of taste, and the fact of the matter is Luckies taste better—for 2 reasons. L.S./M.F.T.—Lucky Strike means fine tobacco. And Luckies are made better to taste better. So, Be Happy—Go Lucky!

## Chem Students Eat Lab Supper from Apparatus

• THE TOOLS OF RESEARCH were used for a slightly more mundane purpose last Friday evening in the chemical laboratory of Corcoran Hall.

Iota Sigma Pi's annual lab supper filled the beakers and apparatus and stifled the odors of sodium acetate and nitric acid for a few hours. Iota Sigma Pi, national chemical society for women, holds a lab supper each year to which all women members of the University are invited. This year

## Students Fill Stockings For Local Hospital

• THE WOMEN'S coordinating board, composed of representatives from each of the women's groups on campus has just finished another of its successful philanthropic projects.

Twelve of the groups represented on the board, Alpha Delta Pi, Delta Gamma, Delta Zeta, Kappa Delta, Pi Beta Phi, Phi Sigma Sigma, Sigma Kappa, Zeta Tau Alpha, Tassels, Home Economics Club, Strong Hall, Alpha Pi Epsilon, and WRA, filled over 90 stockings for the patients at St. Elizabeth's.

The stockings averaged \$1.75 each to fill, representing an outlay of over \$160 on the part of these organizations.

The Red Cross greatly appreciated the WCB's help in this project and picked up the stockings from Miss Kirkbride's office last Friday.

The entire supper was served from laboratory apparatus in the quantitative analysis lab. A coffee dispenser constructed from lab equipment by Dr. Sager, professor of organic chemistry, dispensed the coffee into beakers and coffee was served with dinner. Dr. Sager, unfortunately, could not see his coffee dispenser in action since men were excluded.

Mrs. Sager, Mrs. Wrenn, wife of Professor Wrenn, Dr. Lane, researcher at the University, and Mrs. McPherson, instructor in chemistry, also attended.

The supper provided the occasion to pledge new members into the society. The three new members are Lucy Antoniou, Gerry Ashour and Barbara Guarco.

## Debaters Go To Temple U.

• THE UNIVERSITY Debate Club traveled to Temple University on Dec. 5 for a debate tournament.

Several schools participated in the tournament. Among these were: Rutgers, N.Y.U., U. of Pennsylvania, Princeton, Temple University, Lehigh, Ursinus and Georgetown.

The question for debate was: "Resolved—the U. S. should adopt a policy of free trade."

Eight students participated in the debate. They were divided into two negative and two affirmative teams. Members of the affirmative sides included Eugene Lambert, Jim Standish, Elizabeth Johnston, Joyce Gray; negative sides were taken by George Latimer, Herman Levy, Jo Ann Curran and Jane McWhorter.

Professors Stevens and Henagan of the Speech Department accompanied the debaters.

Chi's invaded the party and it progressed out onto the street with a certain Phi Pi leading the celebrators in a wild bunny-hop. The evening was climaxed when several Acacians serenaded the dorm amidst deafening applause from the girls which was broken up when the police again appeared to dampen their ardor. The blue coats were certainly busy little bees Friday nite.

Sigma Nu pledges were quite elated this week end as they defeated the actives 8-0 in the annual pledge-active football game. PhiSK pledges also beat the actives with the score of 12-0.

Many were the pledge formalis this last Saturday. Sigma Kappa partied at the Lafayette Hotel. ADPI, and Phi Sigma Sigma also danced till all hours of the morn. More about these next week.

## Tassels Tea With Profs Takes Cake

• EARLY CHRISTMAS decorations on the second floor of the Student Union heralded the Tassels Tea honoring the language departments of the University last Wednesday afternoon.

Professors from the German, French, Spanish and Russian departments sported Christmas card name tags and carried on many-tongued conversations with about 75 students.

This was the second in a series of Wednesday afternoon teas which the sophomore women's honorary is sponsoring in order to get the student body a little better acquainted with their professors.

These monthly get-togethers are open to the entire student body, and Tassels hopes that more people will make it a point to drop by the Union for January's affair.

## Sport Celebrities Speak at Supper

• MARY FREEMAN, swimming champion, was one of four young women in the international sports picture who spoke at the Fall Sports Buffet Supper last Wednesday at the University in Lisner Lounge. She told of her experiences at the 1952 Olympics.

Carol Ann Peters, who is an ice skating champion holding 1953 national and international records, spoke of "Dancing on Ice" in France, Switzerland and at the Olympics. "Sports in Sweden" was the topic of Mrs. Gunilla Akerman, golfer and swimmer. Mrs. Anita Montehermoso, who represented the Asian Physical Education teachers at the Paris Conference last summer, spoke of sports in the Philippines.

The program also included the naming of the Honorary Varsity "All Star" teams in tennis and hockey and the outstanding play-

ers in tennis, hockey and golf. The supper was given by the major students in the Department of Physical Education for Women and the Inter-Sorority Athletic Board.

Dr. Myron L. Koenig, Dean of the Junior College, acted as master of ceremonies. Honored guests included Mrs. Joshua Evans, member of the Board of Trustees; Miss Myrna Sedgwick, administrative secretary; Miss Virginia Kirkbride, director of Women's Activities, and her assistant, Mrs. Margaret Jewel.

Representatives from the senior classes of the local high schools also were guests.

## Canterbury Luncheon Features History Talk

• THE REV. WILLIAM Coulter, will be the guest at the regular Thursday luncheon of the Canterbury Club this week, held in the Student Union Annex on the second floor between 12 noon and 1:30 p.m. At this next meeting the newly elected officers will take over.

## IRC Discusses 5-Year Plan

• "SOFT SPOTS IN Soviet Economy," will be the next topic discussed by the International Relations Club led by Dr. James Coogan, assistant professor of economics at the University, tomorrow night at 8:30 p.m. in Monroe 100.

Dr. Coogan, who received his doctorate in economics from Harvard and worked with the Russian Research Center there, plans to emphasize new trends and the "startling about face" in the Russian economy, as shown by the "new face" of the fifth Five Year Plan, the concessions to the peasantry, and the position of agriculture. He plans to go into the political significance of the new emphasis on consumer goods.

Dr. Coogan, who received both his BA and MA from Harvard, came directly to this University upon receiving his doctorate in the specialized field of Soviet Economy.

Elected to the offices of president, vice-president and treasurer respectively were Joan Riley, Mary Farrar, and Pat Federico. Mary Farrar will act as representative to the joint religious groups on the campus and Mr. William Beal acts as sponsor.

Dean Elmer L. Kayser discussed at this meeting the personality of Henry VIII and his contribution to the break of the Church of England from Rome.

"While we are stuck with old Henry" said Dean Kayser "one must look at the event in the light of the spirit of that time."

The reformation in Germany, Dean Kayser explained, took the sequence of an intellectual move followed by a religious or cultural move and lastly a political break. It is because the sequence was changed in England to political-religious-intellectual that Henry VIII "suffers so from too heavy emphasis."

# Sailors Gain Victory In Midwest Regatta

by Lorenz Schrenk

• THE GW SAILING team travelled to Chicago over the Thanksgiving holidays to participate in the annual Mark Timme Angston Memorial Regatta.

This meet, sponsored by Northwestern University, is held at the Chicago Yacht Club and is the Midwest Sailing Association's fall championship. The Colonial squad left Washington early in the morning on Thanksgiving Day. An hour was taken out on the trip to Akron, Ohio, for a real Thanksgiving dinner.

A heavy snowfall during the last 150 miles further delayed the team so that Chicago was not reached until 1:30 a.m., Friday. After a brief stop at the yacht club to announce our arrival we drove up along the Lake Michigan shore to Evanston, Illinois, where the Northwestern University campus is located.

We were informed upon our arrival that the Harvard University sailing team was there to compete in the regatta.

At that point we were about ready to settle for a second place in the regatta since Harvard is the 1953 national championship team, and had beaten us rather soundly while winning the title in the championship regatta last summer.

Friday morning dawned cold and breezy and the races started early. By the end of the first four races Harvard and G.W. had two firsts and two seconds apiece to lead all ten midwestern schools.

The end of the day found the Colonials with a two-point lead over the Crimson with the regatta nearly halfway over.

Saturday's races were sailed in much lighter and shifter winds. Several of the midwestern schools started to close the gap. At one time Ohio State had four straight first places but also fouled out of a race. Michigan sailed less spectacularly but more consistently and overtook Ohio State to get into third place. In the last two races of the day G.W.'s John Dodge and the writer each took a first place to wind up the day.

The Colonials, however, also had breakdown with points coming for one race in which I had to drop out due to a broken traveler line. In such a circumstance, for a race in which a breakdown occurs the skipper is usually awarded the average number of points which he makes for each of the other races during the regatta. This meant that G.W. had about an eleven point lead over Harvard since my average was about 8 or 9 points per race.

Although the Colonials had a good lead there was still a lot of pressure since Harvard was still in a position to win. John Dodge eased the tension somewhat by taking a third place in the race.

John Dodge, the Colonials "A" division skipper, was presented an award for being high-point skipper in his division with 113 points, while Hank Longnick of Oberlin was similarly honored by topping "B" division with 101 points.

The final scores for the regatta were: G.W., 213; Harvard, 197; Michigan, 194; Ohio State, 169; Oberlin, 159; Minnesota, 158; Notre Dame, 151; Marquette, 140; Cincinnati, 130; Purdue, 121; Northwestern, 109; Detroit, 64.

## Steve Named All-American

• STEVE KORCHECK, the Colonials versatile center, was named to the Associated Press third-team All-American last week.

The AP team is selected by sportswriters and sportscasters all over the country is probably the most comprehensive of the post season All-America teams.

Korcheck was the backbone of both the GW offense and defense this fall. He was instrumental in the better-than .500 campaign compiled by the Colonials.

According to one veteran observer close to the scene, professional football scouts are greatly impressed by Korcheck's play and rate him the top center in the land.

Richie Gaskell, GW end, received honorable mention on the AP squad.

## Women's Rifle Team Sets First Match Saturday

• FOUR new Womens' Rifle Club members have been selected by Coach Harris to fire on the team in their first match of the season against the University of Rhode Island. It will be fired this Saturday morning at the rifle range in Corcoran Ball basement.

The tyros are Virginia Raven, Phyllis Greenberg, Carol Ann Peters, and Elizabeth Reed. The regular Varsity members who will also fire on the 10-man team are Beverly Teeter, Capt.; Barbara Hinners, Manager; Anne Piggot, Pat Federico, and Pat Neighbour. The tenth shooter will be selected on the basis of scores fired in practice during this week.

## Korcheck, Gaskell Picked On All-SC

• TWO COLONIAL football stars—Steve Korcheck and Richie Gaskell—were honored for their brilliant play this fall by being named last week to the All-Southern Conference team, picked by the Southern Sports Writers Association.

"Dutch" Danz, fullback, was selected on the second All-SC team.

# Hockey, Tennis Star Teams Given Awards

by Damon Cordon

• AWARDS AND FOOD were the order of the day last Monday as several hundred girls gathered to honor the GWulites who excelled in sports this fall.

The "just-ended" hockey season caused mild confusion when time came to choose an honorary hockey varsity. Though the team didn't post too impressive a won and loss record (W-2, L-4, T-1), many girls displayed fine form in every respect throughout the season and show great promise for the future—such great promise that a couple of them could make my team.

The student managers were able to narrow the candidates down and selected the following girls to the 1953 honorary hockey varsity:

Roselyn Hauk, left wing; Karen Gerken, left inner; Cecilia Jarez, center forward; Molly Lukens, right inner; Barbara Johnson, right wing; Judy Stimpson, left halfback; Eleanor Lund, center half; Corrie Gillespie, right half; Virginia Doull, left fullback; Barbara Kaplan, left full; and June Ginsburg, goalie.

Awards were presented to the outstanding beginner and advanced players in golf, hockey and tennis. Tournay star Cecilia Jarez was picked as the outstanding advanced golfer and Barbara Schoech as the up and coming beginner.

Hockey selections were Carol D'Orazio, beginner and Karen Gerken, advanced.

The honorary tennis team is as follows:

Beverly Borden, Karin Floyd,

Doris Kirby, Bette Kolonia, Lydia Eccles, Joanne Kulback, Jeanetta Monroe, Anne Piggot, Pat Widman and Shirley Floyd.

## Sailing Concludes

• BRISK, ICY WINDS prevailed on Sunday for the finale of the fall intramural sailing series. With most of the privately owned sailboats put away for the winter, the GW skippers had the chilly Potomac to themselves as the four series wound up with a total of 40 races.

John Duncan 905; Leon Briggs 896; Jordan Tannebaum 867; Mary Lackey 835; Mary Jolly 823; Bob Grunwell 814; and Gene Turner 810.

# Buff Cagers Inaugurate Campaign Tonight SAE Captures Intramural Football Crown

## Rudin's Ramblings

• AFTER THE YANKEES beat the Dodgers in their annual World Series battle, Bum adherents always yell, "WAIT 'TIL NEXT YEAR." This same cry was heard on the University campus last year after the Buff basketball failed to gain the Southern Conference playoffs. Next year is now.

We feel this is the season the Colonials, under Coach Bill Reinhart, have been waiting for. The "G" Street five can no longer be called inexperienced or young. The boys have had one full season of working together. Four of the starting five are back, including All-Southern Conference Center Joe Holup. The material, we believe, is highly skilled, battle-tested, and well-meshed.

Another factor for the high optimism is the makeup of the new Southern Conference. There are, as we see it, only three really outstanding teams in the league. We mean, of course, Furman, West Virginia, and the University. Thus, with North Carolina State, Duke, and Wake Forest gone, the situation is ripe for a Colonial championship.

A third reason for high hopes lies in the past season NCAA play offs. The winner of the SC crown gets a chance to play in that national championship tourney. One of the rules of that body is the fact that freshmen are ineligible to play in the tournament. Needless to say, the Buff would have been handicapped last year if they had been in the NCAA championships, since Joe Holup was a frosh last season.

Tonight's clash with West Virginia should be a tip off to the Buff's chances. A win should stamp the court Colonials as the team to beat.

It is important to remember that one game doesn't make a season, but the importance of tonight's clash can not be underestimated. The blue chips are down, and the Buff cannot expect the luxury of a soft opener. THIS IS NEXT YEAR.

**SIDE LIGHTS**—Hats off to Sigma Alpha Epsilon for copping the Intramural Grid Title . . . To Steve Korcheck for being named to the AP Third Team All-American. Not even Andy Davis or Tuffy Leemans did as well. A large share of the credit should go to George Neumann, sports publicist of the University. In today's highly complex game, a good sports publicity man is as valuable as a good quarterback. The sad truth is that mimeograph machines and press releases make a boy an All-American, as well as tackles and touchdowns . . .

## Wrestling Meet Set Wednesday

• THE ANNUAL intramural wrestling tournament will be held Wednesday night at the Gymnasium starting at 8 p.m., according to an announcement by Vincent J. DeAngelis, intramural director. A record number of entrants are expected to participate in the tourney. Official college wrestling rules will be followed, with none of the grunt-and-groan antics usually associated with the professional grapplers.

All students planning to compete in the tournament must take a physical examination. Some of the examinations were given on November 30, while the final exams will be given on Wednesday, 9 a.m. to noon at the Health Clinic, Building P.

## Noses Out Phi Alpha In Thriller

by Jerry Davis

• SIGMA ALPHA Epsilon gained a "first-down" victory over Phi Alpha Sunday to capture the intramural football championship.

The two teams battled to a 0-0 deadlock in the rock-'em, sock-'em tussle, but SAE nosed out the losers, three to two, on first downs.

Jerry Slaughter rifled a 30-yard first-down pass to Ned Harrison with only 20-seconds remaining in the game to give SAE the verdict. Until that late stage in the tilt the teams were tied both in scoring and in first downs.

Slaughter and Cecil Charles spearheaded the winners' attack with some brilliant passing and running. Dick Wolf's aerials kept Phi Alpha in the running throughout the nip-and-tuck fray.

### Charles Intercepts

SAE had a long drive halted at the losers' nine late in the first half. Phi Alpha threatened twice in the second half, but on both occasions Charles intercepted for SAE to thwart the attack.

Most of the action took place around mid-field, however, and long gains were a rare occurrence. Each team was forced to punt about a half-dozen times during the game.

The SAE line was the key to its triumph. Martin Barley and John Buckingham paced the victors' forward wall while Art Kirsch starred on the line for Phi Alpha.

### Delts Top SX

Delta Tau Delta edged out Sigma Chi, 7-6, in another Sunday engagement to give the Delts possession of third place.

Sandy Schlemmer heaved a TD pass to Tom Smith for the winners' only tally. Schlemmer pitched to Smith again for the extra point.

SX got its six-pointer when Frank Kovacs whipped a pass to Jerry Marvel, who made a spectacular end-zone catch. The pass try for the point failed and cost SX the game.

Sigma Chi led 5-3 in first downs and had they tied the score would have been granted the victory.

## Navy Beats Nine Teams In Annual Frostbite Regatta

• NAVY OUTSAILED nine other colleges to win the seventh annual G. W. Frostbite Regatta this past week end with 74 points. Georgetown was second with 70 points and G. W. third with 67.

In the poorest sailing weather in the history of the regatta Tim Walsh and Bob McGurk took four first places out of eight races to win the Marvin-Gorman-Byrd trophy for the Naval Academy for the third time since 1947. G. W. has won the trophy three times also and Boston College once, in 1948.

Navy was Middle-Atlantic champion last year and second in the nationals as well as winner of their own Fall Invitational Regatta this year. Harvard is the national title holder but finished second to G. W. in Timme Angsten Regatta. G. W. was second to Navy in the Middle Atlantic championships and Fall Invitational, fifth in the national championships, and winner of the 1953 Timme Angsten Regatta.

High point skippers for the regatta were Jim Nathenson of Harvard in "A" and Bob McGurk of Navy in "B" division.

Sailing for the Buff-and-Blue were John Dodge and Lorenz Schrenk, skippers, and Joan Feder, Ann Sweeney, Nell Weaver, and Carlene Parker.

## Delts Win Mural Swimming Meet With 101 Points

by Al Rode

• LED BY Jay Howard and Sandy Schlemmer, Delta Tau Delta coasted to a decisive victory in the All-University swimming intramural meet. With seventy-five contestants from nine organizations and many independents participating, the Delts' total of 101 points was well ahead of their nearest opponents, Sigma Chi and the Medical School. Team results:

1, DTD (101); 2, SX (62); 3, Med School (54); 4, AEPI (30); 5, SAE (15); 6, KS (9); 7, Wellington (8); 8, PhiA (6); 9, SN (4).

The winners in the individual events: 50-yd. free style: 1, Schlemmer (DTD); 2, Jackson (M.S.); 3, Chadwell (KS); 4, Tranen (PhiA); 5, Cohen (PhiA.) 50-yd. back stroke: 1, Brown (M.S.); 2, Harrison (SAE); 3, Gasperi (SX); 4, Evans (DTD); 5, McAvoy (SX).

50-yd. breast stroke: 1, Howard (DTD); 2, Packard (SX); 3, Browning (SAE); 4, Popper (SN); 5, Rode (AEPI).

100-yd. free style: 1, Schlemmer (DTD); 2, McAvoy (SX); 3, Ramer (AEPI); 4, Walawac (W); 5, Tomlinson (M.S.).

## Down Alden's Beat

# Slaughter Plus Team Play Wins For SAE

• "THEY REALLY OUTPLAYED US in the second half," said Lou Damico, Jr., center of the SAE football team, "but Jerry (Slaughter) and Ned (Harrison) still had their special pass play left in their pockets."

Slaughter and Harrison, of course, combined for a 30-yard pass play in the last 20 seconds to give Sigma Alpha Epsilon the Intramural Football championship on "first downs," as reported in other columns of this newspaper.

Damico, recuperating from the hard-fought but cleanly played little game, was recounting the highlights of the SAE-Phi Alpha game. "We were strong in the first half and off to a good start. But our attack sputtered in the second half, after a couple goal line stands sapped up our strength, mentally as well as physically, in the latter stages of the first half."

"The Phi Alphas demonstrated clearly that they were in better shape than us in the last half, but fortunately we came through when it counted."

SLAUGHTER AND HARRISON were repeating history for SAE in their game-winning pass. For it was just two years ago that they, as freshmen, combined for a 40-yard pass in the last minute to dethrone Theta Delta Chi as champion of the Inter-Fraternity football league.

If there is an individual star that stands out for SAE, it is Slaughter. Jerry was an All-Arkansas quarterback while attending Fort Smith High School, the public high school in Arkansas' second largest city.

Jerry turned down about two dozen football scholarship offers, mostly from schools in Arkansas and the Southwest. Instead of going into football as a career, Jerry thought a little further ahead and decided to come to Washington as an employee for the Federal Bureau of Investigation.

"I plan to go on to law school in preparation for becoming an agent for the FBI," says Slaughter. Jerry presently works as a tour guide for J. Edgar Hoover's outfit. He takes nine hours at GW, majoring in political science.

BUT THE STRENGTH OF THE SAE football team lies more in its elaborate organization combined with its careful planning out of plays. The 19th Streeters have specially designated offensive and defensive teams, and each individual has his own separate assignment.

Rounding out the offensive backfield with Slaughter are Cecil Charles and John Buckingham, both graduates of Virginia military academies.

Charles, a graduate of Hargrave Military Academy, is the wing-back, whereas Slaughter is the tailback. Charles is particularly effective.

## West Virginia First Foe; Battle Richmond Friday

by Bob Alden

• GEORGE WASHINGTON'S basketball team, the favorite in the streamlined Southern Conference, plays its two most important league rivals here this week in games that could go a long way in determining the S. C. championship.

Coach Bill Reinhart's Colonials open the season tonight against West Virginia, probably the number two team in the league, in a Uline Arena game that begins at 8:30 p.m.

GW returns to the M Street Icehouse on Friday night at 8:30 p.m. for a game with sophomore-studded Richmond Spiders, who were the surprise team of the old Southern Conference last year.

### Joe Holup Leads Attack

Starting at center for GW will be Joe Holup, the six foot, five inch sophomore center from Swoyersville, Pennsylvania. Holup rewrote the Colonials' record book last year, shattering many individual

scoring records. He established a new single season high of 427 points in 22 games.

At the forwards will be Walter (Corky) Devlin, a junior, and John Holup, a senior and the elder half of the famed brother combination. Devlin, second highest scorer for the Buff last season, promises to be an improved player on defense and rebounds. John Holup, who should set a new GW career scoring record this year, is set to make his last season his best.

Holding down one of the guard positions will be Elliott Karver, who was selected as the most valuable player on last year's team by the Hatchet. Karver, GW's best defensive player, best foul shooter, and most aggressive ball player, is playing his last year for the G-Streeters. He, too, is a senior.

### Ciriello Will Alternate

Either Buzz Ciriello or Ed Ca-

## GW Rifle Team Outshoots Hoyas

• THE UNIVERSITY'S Men's Rifle Team won its second match of the young season last Saturday defeating Georgetown, 1374 to 1368 on the GW range.

The match was not decided until the last two men shot. High scorers were Bill Cody of GW and Quinones of Georgetown, each with a 281 total. Other scorers for the Colonial shooters were Jim McDaniel, 278; Boy Bryant, 274; Bob Reimen 272 and Art Savage, 269. Mark Spies and Jack Lane also shot.

The next match is scheduled for Saturday at the Maryland University range.

## Intra-Cagers Start

• INTRAMURAL basketball will get under way on Sunday afternoon at the gymnasium. One of the best turnouts in the past few years of 21 teams will vie for the court diadem. Play will be divided into three leagues.

tino will probably start at the other guard. Ciriello, the Quincy, Massachusetts, flash, played an important role in GW's overtime triumphs over Maryland and Georgetown last year, and is ready to be Reinhart's number one spot player, alternating at guard and forward.

Catino, "The Cat," from Schenectady, New York, another good clutch player for the Colonials, will attempt to live up to his great advance notices that never have quite materialized, although he has had some brilliant moments. Both Ciriello and Catino are juniors.

The newcomers most likely to break into GW's regular lineup are sophomores Jay Manning and George Klein. Manning, a high scorer on last season's freshman team, is slated for a forward berth. Klein, probably the best floor player on the team, will see a lot of action at guard.

### DeTurk To See Action

Other players who may see action for GW are senior Phil DeTurk, the six foot, seven inch center who started his basketball playing in college; juniors Ernie Ortiz and Jack Valle at guards; and sophomores, Frank Morrison, Joe Petcavich, Bob Sweeney and Stan Walawac at forwards.

The Colonials will establish themselves as the odds-on favorites to win the championship of the ten-team S. C. if they win both games this week.

If they should lose both games, unlikely but possible, the Colonials' chances for the Southern Conference would decrease immensely. Even though teams like Richmond and GW play relatively large conference schedules, the fourth major contender, Furman, plays only seven opponents. Thus, two GW losses combined with a perfect or one-defeat record by Furman would eliminate the Colonials from title consideration.

Coach Reinhart's team, about ready to reach its maturity, should have no trouble in capturing the District Big Three title, and could be a nationally-ranked team if it lives up to expectation in the Southern Conference and against Atlantic Coast Conference competition.
